Eyecatcher is a manufacturer and international distributor of Height Safety Systems. Our products represent Dutch Design & Dutch Quality and ensure your safe home coming after working on heights.

You need roof safety systems to rely on, regardless the activities. Our own innovative designs focus on safety and are easy to install. The distinct colours and smart appearance of our systems make them highly visible and mark the safety zone. This way Eyecatcher guaranties a safe working area for everyone working on height. Each and every day. Eyecatcher, Focused on your Safety.
